America was Built on Small Business
Own Your Own Business Today!

Sustainable Environmental Education
Presents Syndicated Radio Gardening Expert
and America's Natural Master Gardener,
Nick Federoff in an Exclusive Engagement.

How to Start & Run a Lawn Care Business

The Seminar

For 30 years syndicated radio gardening expert owned and operated a landscape company with 60 employees. They maintained the smallest of yards to industrial building plus held city and county contracts. Since retiring, Federoff is telling a lifetime of secrets today's entrepreneur needs to know to start their own landscape maintenance business.
