

Another Seminar and Workshop Presented by:
Sustainable Environmental Education
A 501 (c) 3 Non-Profit

Better Money Management

Understanding Your Money and Developing Personal Wealth

Seminar Topics to Also Include:

- Now that you have something, don't lose it!
- Difference between rich and wealthy
- Make more or spend better. How to choose.

Plus, much more on Better Money Management.

This course is designed to introduce the concepts of money. With this basic knowledge, students should be able to understand what is Money.

- How to develop financial priorities,
- How to understand choices and options in order to make better financial decisions for themselves.

The course will provide classroom training and students will have an opportunity to develop skills in recognizing how things work and what is best for themselves.

Sign up today!

When: Second Wednesday of Each Month
