By Order of California Gov. Schwarzenegger  
20% Reduction in Water Use Statewide

<http://gov.ca.gov/issue/water-supply>

Sustainable Environmental Education  
Presents Syndicated Radio Gardening Expert  
and America's Natural Master Gardener,  
Nick Federoff in an Exclusive Engagement.

# Water Wise Landscaping

The Seminar

Join Master Gardener Nick Federoff as he helps you make the right choices in water usage inside and outside of your home.

"We are beginning the worst drought in over 17 years" says Federoff. "Technology has changed so much since then making it possible to have a lush green yard and garden and still be able to meet water conservation demands."

**When:** Selected Saturday's All Year

**Time:** 9:00AM - Noon

**Where:** Whittier Campus of Sustainable Environmental Education 7302 Pierce Avenue, Whittier, CA 90602
